...Purpose

Harmony, the fellowship of friends and faculty working together.

deepening thought, broader variety; and height in striving toward a goal.

Contrast, represented by a diversity of activities as solemnity mixes with humor and relaxation becomes work.

Action and Enthusiasm compose the inner spirit of HEATH through the many activities that are undertaken, and enthusiastically complete.

...Harmony

IN MUSIC. . .

With the melodic strains of
notes blending,

IN FRIENDSHIP. . .

Some long, others only a
week old.

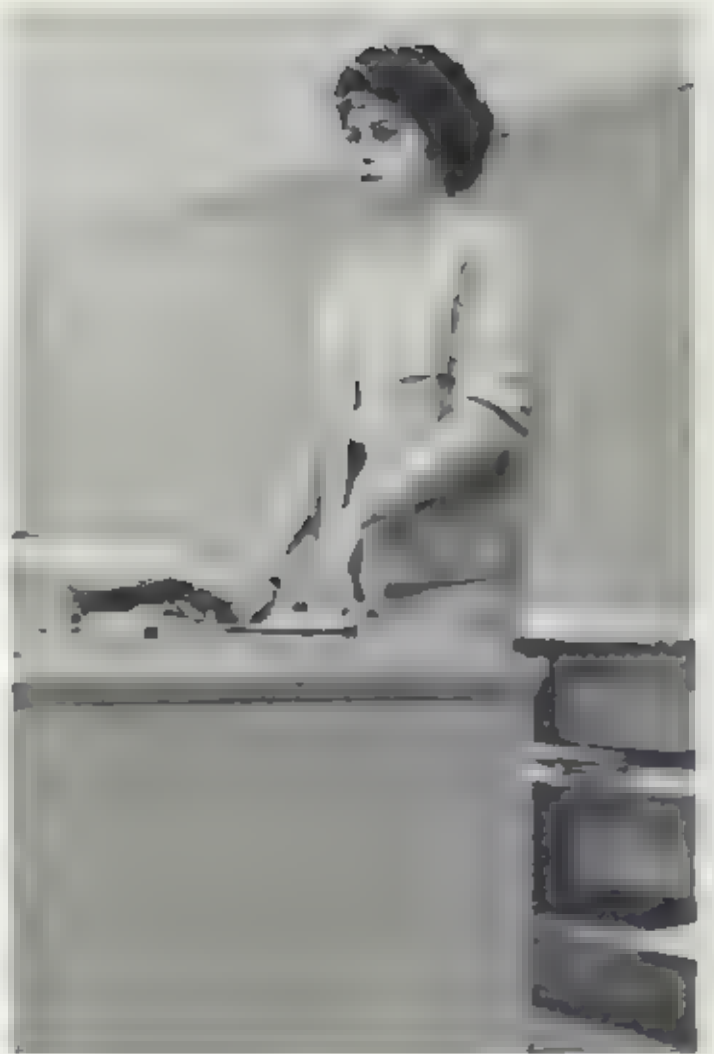

HARMONY is always present,

In the delight of doing things
together, that if done alone
would mean so little.

...Perspective

To be able to take a thorough look at life--
 Is perspective
 Through our days at Heath,
 We are presented with the chance
 To view many types of people.
 We learn about a variety of things...
 Always broadening our thoughts and beliefs

... Contrast

In the many different activities offered
 In the various attitudes taken toward
 participation
 In the quality of work done,
 And the people who do it
 Heath is contrast

Action. . .

In an infinite variety of ways
Heath is constantly on the move.
In class, on field trips;
Earning money for school organizations;
From 8:00 in the morning
Till 6:00 at night
Heath seldom stops to rest.

SUPERINTENDENT'S MESSAGE

In years to come as you leaf through the pages of this excellent yearbook, we sincerely hope that it will bring back many fine memories of the enjoyable and rewarding experiences you shared here with your fellow classmates

The qualities of leadership, sportsmanship, citizenship and scholarship you offered to this school and this community have been outstanding

We are confident that you will take these fine qualities with you as you journey through life

I join with you parents, teachers, and classmates in wishing the very best to each and everyone of you

Rod Swank, Superintendent

TO THE SENIORS - -

The 1964 ERICA reflects your yesterday and its scope of activities - class work, clubs, sports, and social activities

Today is now and there is much to be done. You must be at your tasks for tomorrow's success is only a possibility shaped by today's efforts. Today's successes are the results of yesterday's labor

Our hopes for success go with you

Joseph Marks, Principal

Let us congratulate the first group of seniors completing their vocational studies at the Heath Area Vocational School. May they fulfill the aspirations and hopes of parents and community

In looking back the seniors may realize that as part of their education, vocational education has helped them to develop abilities, attitudes, and appreciations to enrich their lives

We owe thanks to the Board of Education and to the citizens of Heath who in their foresight enabled these students to learn a trade, become wage earners, and take their place in a democratic society

Sig Guckenheimer, Vocational Director

The Heath Board of Education is the foundation of our school system. Its members, who are elected to their positions, handle such important tasks as hiring new teachers, selecting new textbooks, deciding school policies, regulating salary scales, and governing tax funds for new buildings, repairs and new equipment needed by our schools

BOARD MEMBERS are: Seated: Edward M. Wilson, Jr. President Harmon J. Orr; Helen Van Winkle, Clerk-member. Standing: Jack N. Beets and William Koppert

The day, November 22, 1963, started like any other day at Heath. Students came to school and were busy in the classrooms.

Then came the 6th period and the P.A. system came on with Mr. Marks making the sad announcement, "We have received word that the President has been shot..."

Students and teachers alike could not believe their ears. Many of us prayed, many cried, most just sat and stared.

Rev. Linn was in the building that day and came on the inter-com to lead us all in prayer for our dear President. But the assassin's bullet had done its work and the country lost a president and gained a new one.

JFK, Jackie, Dallas, Texas, motorcade, Lee Oswald--those names we were never to forget.

A large group photograph of the 1929-1930 football team. The team consists of 35 individuals, including players and coaches, posed in four rows on a grassy field. The front row is seated, while the three back rows are standing. Most are wearing dark jerseys and light-colored pants, with some in civilian attire. The background shows a line of trees under a clear sky.

THE "FIGHTING 100"

F-100-S5-SR

When the team entered the arena at the first home football game, the crowd went wild.

For athletically inclined, Heath had the Girls' Athletic Association, for those who wanted to yell only, we had the "Fighting 100", for the boys there were the varsity sports, and for those who earned letters, there was the Varsity "H" Club

HEATH HIGH'S FABULOUS GIRLS' TEAM

This team was undefeated during the school year and counted among their victims, Licking Valley, Newark High and the women faculty members!

Heath's first meeting was a wonderful one. Beautiful girls presented their Ford, Veda Rich, Susan, and Pam Fraga. The visiting student body elected Veda as the Queen. She was a lovely queen. She was escorted to the game by Charles Moore and given a traditional kiss by Mark Clark.

Licking Heath won the half game but lost a 2-1 in the overtime. The Heath girls hope that will be a good start for the season.

ASSEMBLIES

Our cheerleaders gave us some very interesting assemblies.

The first prom held at the high school was a big success. The Student commons area was the "flight deck" and refreshments were served there. Going into the gymnasium by the way of a "space ship" one landed on the edge of the moon, with craters surrounding the floor and a volcano erupting in the background.

The beautiful queen, Sandy was crowned, the will and prophecy were given and Mr. Swank made a few remarks, and then all danced to the music of the Gene Snelling orchestra.

Mike Allen gave the welcome, Tom Rosser read the prophecy.

Baseball 1964

The rain and misfortune hit our baseball team and as Coach Brigner said, except for one run here and there, we would have had a championship team.

But, the whole school was proud of this team that brought our first trophy to the showcase--2nd place in the County Tournament.

THE VOCATIONAL INDUSTRIAL CLUB is a student organization of the Heath Area Vocational School, and a chapter was organized in 1961. During the school year the Heath Chapter was very active and received many honors and served as host chapter of the Spring Conference. Advisors are Mr. Stewart and Mrs. Oliver.

Many honors were won by members of the club. Judy Albaugh, Jacquelyn and Bernadine Green were awarded for Hair Styling. The club also received a letter from the State. Nancy K. was first in the district and state. The club also received awards for being a good club. Extra money was raised for the club. The club also received awards for being a good club. HEATH SENIOR HIGH

Editor's Letter

As this school year ends, so does a phase of our lives, leaving behind only memories. During the year, it has been the goal of the staff to capture and preserve those memories in the 1964 ERICA. The editors and the staff members have worked hard to have a complete pictorial and literary coverage of the year.

The year began with a vigorous sales campaign headed up by Mary Heckmann and the subscription team. The senior boys made up the advertising sales team and they did an outstanding job selling ads in Heath and in Newark. Steve Kominar, Steve Prehm and Danny Martin sold the most ads in a close race.

John Boner served as Business Manager during the year and did an outstanding job. Mary Heckmann was his bookkeeper and kept track of the funds needed to publish the book. Steve Prehm and John Gattrell were always on the job taking pictures of all the events as they happened. Passman's Studio did most of our developing work for us during the year, and Mr. Earl Williams of Howard's Studio made many trips to the school to capture on film the highlights of the year.

The literary editors worked hard during the year on their layouts and some of the finished pages were outstanding. Heading up the book was Mrs. Braig, whose ideas and guidance was most valuable.

The satisfaction gained from working in a unified effort to accomplish the large task of creating this book is immense. The staff has put its entire effort into producing a tangible set of memories which will become a most long lasting and well read history book.
